## 2005 CORRECT CRAFT AIR NAUTIQUE 206

**ORLANDO, FL (November 12, 2004)** — Correct Craft, Inc. announces the Air Nautique™ 206 for 2005. The Air Nautique 206 offers superior tracking and handling with virtually no side-to-side movement when pulling a rider or skier.

The 206 comes equipped with the Team Edition package, the ballast tank which offers up to 220 pounds of added weight and being a direct-drive offers an awesome launching ramp for beginners to intermediate riders. The 206 is decked out with all the bells and whistles, Flight Control Tower™, ballast with helm control, Polk Audio sound system to rock out to. It's a dream come true for the adults who slalom and the young children who want to start wakeboarding.

For those concerned with safety, all Nautiques meet and exceed the United States Coast Guard requirements with their certified flotation foam. The National Marine Manufacturing Association certifies that all Nautiques meet the industry safety standards. What mom wouldn't love that kind of comfort?

Celebrating 80 years of excellence in the marine industry, Correct Craft is a family-owned manufacturer of world-famous wakeboard, waterski, and recreational boats. Correct Craft, Inc., a Florida-based company, is known for leading the industry in technology and innovative hull designs.
