

2005 CORRECT CRAFT AIR NAUTIQUE 216

ORLANDO, FL (November 12, 2004) — Correct Craft, Inc. announces the Air Nautique™ 216 for 2005. The Air Nautique 216 is truly a versatile all-around family-friendly towboat that meets everyone's needs, with mind-boggling performance skills.

The winning Flight Control Tower™ and factory-installed ballast tanks, with helm control combine to let you catch insane air off the crisp wake peaks. If you're more interested in taking a slalom run, the hull's dispersion tunnel and performance strakes deliver softened and lowered wakes for a great run every time. If the responsive performance abilities of this unequalled inboard aren't enough to keep your friends overly impressed, it also features a sophisticated Smart Pod loaded with an all-electric keyless ignition and dash with five-inch Faria® gauges. Without a doubt, everyone has a blast on the Air Nautique 216.

Correct Craft is all about luxury, you will find 40oz BCF carpet that will keep your feet comfortable. You can never go wrong with the 34mils of luxurious upholstery vinyl, Biocide treated for a stain resistant top coat, making cleanup a cinch.

Celebrating 80 years of excellence in the marine industry, Correct Craft is a family-owned manufacturer of world-famous wakeboard, waterski, and recreational boats. Correct Craft, Inc., a Florida-based company, is known for leading the industry in technology and innovative hull designs.
